Martina D'Acosta is a designer working from the interest in society's imperfections. Her projects grow from observation, reflection and collaboration to achieve results with an impact. She works freely between public space, product, photography and visual design.

Education

Barcelona
Degree in product design (Elisava, 2012-16)
Here I gained the tools materialize ideas.
One of the projects I value is the develop of a design with material technologies.

Barcelona
Diploma in fine arts (Metáfora, 2012-15)
In Metáfora I experimented with the emotional side of objects. I contributed with many art Installations and exhibits during my time there.

Barcelona
Life drawing and oil painting Da Vinci Barcelona, 2012)
Here I gained the tools to express myself, and communicate ideas in other formats.

Barcelona
Art History (Taller Monart, 2012-)
Ever since 2012 I have been in Art History classes. I believe Art History is an important pillar in my creation process.

Working experience

Barcelona, Spain
Col·lec (since january 2013)
I was part of the creation proces of the studio, comming from a student collective and transforming it into a studio. Interaction design became one of the paths to develop art installations. www.thisiscollec.com

Barcelona, Spain
Magma design (mayo-diciembre 2015)
Here I gained the tools to develop 3D models and rendering images. www.magmadesign.net

Barcelona, Mexico city and Ensenada.
Freelance (desde 2013)
Throughout my studying and working experience, I have developed myself in photography, product and graphic identity design.
